Objective is to share with Jennifer the gist of the fed agency comments and NCEA's response, including any potential sensitive points. Ditto for comments from within EPA, and in particular OCSPP/Nancy Beck.

Attached here are comments from:

DOD - two documents, one providing comments on the draft assessment and the second comments on the charge questions
OMB - two documents, one providing comments on the draft assessment and the second comments on the charge questions
Nancy Beck - the draft assessment including comment bubbles inserted by OCSPP (as "author") which presumably includes comments from Nancy.
